2 days prior to your procedure

Continue with low fiber diet

1 day prior to your procedure

- **Before 10:00 am** you may eat a low fiber breakfast.
- **At 10:00 am**, begin a clear liquid diet.
- **No solid or soft foods.** Drink at least 64 ounces (about 2 liters) of clear liquids throughout the day.
- **Alcohol and red or purple colored liquids are not allowed!**
- **At 7:00 pm**, add lukewarm water to the fill line and shake to mix. Drink one glass every 15-20 minutes until half gone.

Refrigerate remaining prep.

procedure day

5 hours prior to your arrival:

Drink all remaining prep; one glass every 15-20 minutes until completely gone.

Stop drinking all clear liquids 2 hours prior to your arrival time.

Colonoscopy Prep Instructions

TriLyte™, GoLYTELY™, or NuLYTELY™

Read these instructions at least 5 days prior to procedure.

You must have an adult drive you home. Taxis are not allowed unless you have an adult with you. If you need help with a ride, call 360-397-3430.

To cancel or reschedule your appointment please call **360-397-3805**.

Procedure Date: _____
Dr. _____

Your procedure may be postponed if:

- Your bowels are not clean
- You don't have a driver over 18 years of age
- You eat or drink after the time you have been instructed to stop

If your bowel movements are not clear-yellow and you cannot see to the bottom of your toilet by the time you are ready to leave your house, please call us at (360) 397-3430 to discuss.

You will receive a nurse call 7 days prior to your procedure. Your procedure time may change even on the day of your procedure. Please read all instructions **prior** to the nurse call.

You will receive an automated call or text with your arrival time 3 business days prior to procedure. If you are not signed up for the automated option you will receive a call 2 business days prior to procedure with your check-in time. Your procedure and arrival time are **not** available to view on MyChart.

Vancouver Clinic's Ambulatory Surgery Center is at our 87th Avenue location

700 NE 87th Avenue, Suite 320, Vancouver, WA, 98664

Bowel preparation is very important. Please read these instructions carefully.

On the day of your procedure

- You may take your routine medications with a small sip of water.
- **Diabetes medications or anti-coagulants are an exception.** (Please refer to separate pamphlet)
- You may brush your teeth and shower prior to leaving home.
- Do not wear any jewelry or bring any valuables with you.
- During the procedure you will receive sedation (unless you request otherwise) through an IV.
- Your physician will discuss any findings of your procedure with you in recovery and you will receive a copy of your procedure note to take home with you.
- If biopsies are taken or polyps removed, you will receive a letter or MyChart message in 2-3 weeks.
- Your procedure may not be where your office appointment was.
